I'm out for the week but I'll walk it on Monday. Is the city willing to clean up the debris after they leave?

Hi Deputy Ramirez,
I received a call from concerned residents [REDACTED] who reside at [REDACTED]. They're reporting homeless people going in and out of unlocked access gates located on the east and west sides of McHelen near the 405 freeway. They believe there's a homeless encampment set up in the area going towards Alameda. There's constant traffic and activity occurring behind their property. Can you and your team look into this? [REDACTED] would like to be contacted when someone goes out so he can clearly point out his concerns. He can be reached at [REDACTED]

Veronica/Ariel,
It looks like the area west of McHelen which goes behind the resident's property is within City boundaries (see red arrow). Can we have staff put a lock on the gate asap?

Feel free to contact me if either of you have questions. Thank you for your assistance in this matter.
